Art & Charity

- Everybody wins
- An art competition with selected artists representing Austria, China, and Africa.
- Culminating in the Art & Economic Forum Art Award ceremony selecting the winner of the winners
- Art auction of selected pieces of the winning artists as well as children paintings of our selected charity donation receiving schools in Austria, China, and Kenya.

What art are we looking for?

- We are focused on paintings, drawings, graphics, sculptures, multi-media, etc...
- Art topics:
 - The artwork should envision a social change to create a better future for all. A few examples to consider:
pollution, the global warming, recycling, plastic pollution, sea pollution, over-population, etc...
but also encourage positive change and visionary ideas.

Selection Criteria :

- Does the art correspond to the genre (painting, multimedia, sculpture, visual art, photography, craft,..)?
- Does the artistic level match with the outcome of the art?
- Does the art show something unique and special?
- Does the description of the art piece match with the outcome?
- Is the topic (environment, future) fulfilled?
- Does the painting express something emotional that will stay in our mind?
- Does the art meet our expectations?
- Is the artist willing to do create art during the event?
- Is the artist over 18 years old?
- Is the artist authentic?
- Does the artist have creative visions of how he/she would exhibit his/her paintings?
