MEMBERS

At the moment more than 120 members from more than 10 nations use our business network.

Our members are Executives and Opinion Leaders and work in a variety of industries, such as trade, services, tourism and the creative industries. Some of our members are also active at the political level and work in embassies or foreign representations.

We are constantly striving to expand our AAAA network and look forward to your suggestions for new potential members.

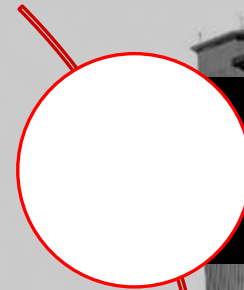

In September 2016, our association signed a strategic partnership with the German Federal Association for Economic Development and Foreign Trade (BWA - <https://www.bwa-deutschland.com/>), which has over 1,000 members. Organized at federal and state level as well as in regional international business clubs, it brings together leaders from science, industry and public life. The regular and mutual exchange through the participation in meetings and events and personal member discussions serve the common advocacy of interests in Asia for the benefit of all members, the bilateral contact of the companies of both institutions and the joint work in substantive matters.

In January 2019, AAAA partnered with Austrocham (Austrian Chamber of Commerce - <http://www.austrocham.com/>) in Hong Kong, to enhance our networks in Hong Kong and China. Through our partnership, our members enjoy stronger information exchange in Europe and in Hong Kong.

OBJECTIVES

1. Business network

One of the main aims of this organization is to build a business network between Austria, Asia, and Africa. For this purpose, periodic meetings and dinners will be held at the various unique locations to deepen the various contacts between individual AAAA members. Furthermore, similar meetings take place in various Asian and African cities where members are located. Through lectures and fireside chats, they will be informed about the economic potential of Austria. Every single individual benefits from the consolidated pool of contacts.

OBJECTIVES

2. Cultural Exchange

Besides the business network, the AAAA is also focused on the exchange of culture and art. This includes, for example, the showcasing of various artists, art exhibitions or book presentations that have a certain relation to the AAAA. This will take place, if possible, on the dates of the periodic meetings to give each member the opportunity to participate.

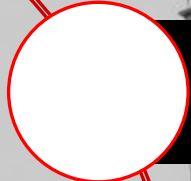

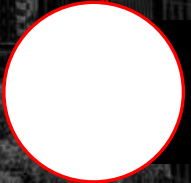

OBJECTIVES

3. Charity

As an association with a charitable focus, the AAAA will seek to realize initiatives in the Asian and African regions with a special emphasis on underprivileged children. With the help of contacts and experience of the individual members, annual projects will be implemented directly and efficiently by the members. Funding for these charity projects will come from the finances of the AAAA, which consist of various revenues, donations or contributions. All financial expenditures will be carried out in a highly clear and transparent manner.

EVENTS & ACTIVITIES

- ART AND ECONOMIC FORUM
- MEMBER'S MEETINGS
- KEYNOTE SPEAKERS
- CHARITY PROJECTS

AAAA ART AND ECONOMIC FORUM

A unique forum taking place on a yearly rotational basis in Austria, Asia, and Africa. As the title already suggests, a vital business exchange with interesting presentations of business leaders showcasing opportunities in Central Europe, as much as hubs of great interest in Asia and Africa is taking place in a unique artistic environment. Three pre-selected artists chosen from a competition in the three-name-sake areas of the association will present their unique creations to vie for the ultimate prize awarded during the gala event highlight of the forum.

MEMBERS' MEETINGS

The members' meetings will take place periodically in Austria in summer and Christmas period, and in South Africa, Kenya, and China on a regular basis.

The evenings of the members' meetings are planned as a culinary and informative highlight in the agenda of each member. These events usually take place in unique and historical locations.

Another constant programme will be interesting lectures on topics related to Asia and/or Austria by a member or a guest speaker e.g. country ambassador, business leader or artist. New members will also be introduced and inducted to AAAA.

Additional meetings in the future will take place in Asia and Africa.

In all these events, we promote the deepening of contacts between the individual members through joint events, talks and meetings. Through interesting lectures from the fields of economics, finance and politics, the members are informed about the economic potential of Austria and Asia and cooperation is supported and promoted. The culinary highlight would be a well-chosen menu e.g. from an Austrian Michelin Star chef who is in Asia at this time or an Asian chef from a renowned local restaurant.

As part of the meetings, the AAAA members visit selected projects and institutions under the AAAA Charity Program, to get to know them personally and also to hand over the donations personally and on site.

MEMBERS' MEETINGS

CHARITY PROJECTS

An important goal of the AAAA is the support of disadvantaged children in Asia and Africa through the charity program.

At the annual meeting in Asia / Africa, members have the opportunity to visit and get to know the selected projects and institutions. In 2015, members visited Wat Sra Kaew orphanage in Angthong, Thailand for the first time. There, a lunch including dessert was sponsored for 2,200 children and distributed with the active assistance of the present members. In total, the AAAA was able to hand over a donation of € 2,500 to the orphanage.

In 2016 the AAAA donated over € 3,000 to the Sprouts Foundation, which develops and supervises educational programs for disadvantaged children in Hong Kong.

In 2020, it was decided to support a Nepalese charity called Right4Children in order to renovate a school in urgent need of upgrades to the water system, toilets, sports facilities, classrooms, etc. This school is in Pokhara, and the 3-year project encompasses a total investment of USD 12,000.

In order to offer children a better future and new perspectives, the AAAA will continue to support various projects with donations in the Asian and African regions over the next few years.
